

Character Profiles

The Characters tab lets you store important information about the people in your story.

Character profiles can include:

- Overview
- Appearance
- Personality
- Backstory
- Motivations and goals
- Inner conflicts or secrets

You can also create custom sections to track additional information.

Additionally, Scryla allows you to tag relationships across characters.

Name Color Choose

Ebenezer Scrooge

Role Age

Protagonist Late 50s

Overview

← → **B** *I* ~~S~~ Paragraph ▾ ☰ ☷ ⋮

A bitter, isolated moneylender who believes wealth and self-protection are the only safeguards against suffering. Driven by fear of loss and emotional vulnerability, he has replaced human connection with control and routine. Over the course of the story, he confronts the emotional wounds and moral blindness that shaped him and chooses compassion, generosity, and belonging over isolation. Them.
