

Uploading covers, manuscripts and other assets

You can upload your book's cover, keep track of manuscript drafts, add character art, and store your research documents all inside Scryla for Authors.

Note: audio and video files are not supported, but you can upload images and documents to your project. See below for a complete list of supported filetypes.

https://www.youtube.com/embed/kV68b4V2_wQ

Supported file types by location:

Manuscripts: Use the Manuscripts area to upload and store your working drafts as well as your final version. Marking a manuscript as "Final" pins it to the top of the list.

- .doc
- .docx
- .pdf
- .txt
- .rtf
- .md
- .epub
- .mobi
- .kpf
- .kcb

Note attachments: Use the Notes area to upload research files, maps, studies and more.

- .doc
- .docx
- .pdf
- .txt
- .rtf
- .md
- .jpg
- .jpeg
- .png
- .webp

Character profile image: You can upload an image to each character, whether that's character art or an avatar.

- .jpg
- .jpeg
- .png
- .webp

Project cover image: This is your book cover area. Only image files are allowed.

- .jpg
- .jpeg
- .png
- .webp

Marketing copy graphics: Store and keep track of all your ebook cover files, print cover files, promo graphics or ad creative all in one place. Now you'll never have to hunt through a hundred folders to find the files you need.

- Ebook cover: .jpg, .jpeg, .png, .webp
- Print cover: .jpg, .jpeg, .png, .webp, .pdf
- Promo graphic / ad creative: .jpg, .jpeg, .png, .webp, .pdf
